How Does the Program Work?

1. Purchase grocery gift cards on the designated order date (once per month) in the WCHS Cafeteria. You can purchase gift cards from Sobey's/IGA and Save On Foods year round. Safeway gift cards are available from October- December. You can purchase cards on behalf of relatives and close friends. The more you purchase, the more you benefit.
2. Pick up your cards on the designated pick up date in the WCHS Cafeteria.
3. Use the cards as cash when you do your grocery shopping.
4. A specified percentage of your card purchase (i.e., rebate) is deposited into a fund in your child's name to go towards sport fees, equipment for school sports, trips, and school travel.

A FANTASTIC
FUNDRAISING
OPPORTUNITY!

Monies collected can be banked and applied to student athletic fees as long as the participant attends Winston Churchill High School.

All rebates are subject to a 15% fee; **you receive 85% of the rebate.** This is much greater than some fundraising groups that keep 50% to 100% of the rebate.

Example:

Each month Joe purchases \$250 in gift certificates from Sobey's for 2 families (i.e., \$500 total). The rebate is calculated as follows:

\$500 x 10% Sobey's rebate	\$50.00
Less: 15% Administration fee	<u>(\$7.50)</u>
Total deposited into Joe's Account	<u>\$42.50</u>

In only 2 months, Joe has \$85 to go towards his Bulldogs team fee, trip, etc. **No out of pocket contributions needed - just buy groceries that everyone needs anyway.**

Information Participants Need to Know

1. Rebates are subject to a 15% fee which will be administered/used by the WCHS Football Program. The individual fundraising accounts will then receive 85% of the rebate amount.
2. When a participant wishes to use his funds for an activity or sport, **it is the participant's obligation to inform both the organizer/coach of that activity as well as the WCF Coordinator to ensure the funds are properly transferred.** The transfer will be documented and the participant asked to sign a form authorizing the transfer.
3. Funds accumulated in the Fundraising account **cannot** be used to pay any portion of school fees.
4. Account balances will be carried over to the following school year for participants that remain students at WCHS. Balances can be transferred to a sibling, relative or another individual for his/her continued fundraising. If a participant has paid for all their school based activities from their fundraising account and that participant is no longer a WCHS student and does not wish to designate another individual receive any balance of funds, the remaining funds will be transferred to the WCHS Football Program. There will be no cash payout of funds to individuals.
